BODY AND FACIAL PRODUCTS

FOR IMMEDIATE RELEASE

Sparks, NV, October 17, 2022- The market for body and facial products leaves a lot to be desired for people who don't always want to smell like artificial scents. There is a rising demand for products with more true-to-life scents, like a cozy autumn campfire, or fresh-cut grass. For those who live more like an [REDACTED], one company found a solution to this problem: [REDACTED] creates products with scents inspired by the memories people make in natural environments.

[REDACTED] specializes in selling a range of body care and facial care products that have scents inspired by YOUR real life. Their collection includes colognes, lotions, deodorant, body wash, shower gel, soaps, beard oils, and now- lip balms.

Many of us often struggle with finding the right lip balm. A good lip balm keeps your lips healthy, prevents dryness, and gives you a smooth flavor and scent when you're going in for a kiss.

[REDACTED] realized this issue and has released a new, alcohol-inspired lip balm collection for their customers. The collection includes a whiskey lip balm and even a rum lip balm, among other flavors and scents.

Co-founder [REDACTED] realized the importance of branching out with the brand and its range of products:

"It's so hard to find a good lip balm, but an [REDACTED]'s unquenchable thirst for adventure leads to frequently chapped lips. As lip enthusiasts, we at [REDACTED] feel it's our job - no, our DUTY to give every [REDACTED] lips that are both delicious and kissable. Also, we like whiskey. And rum."

The lip balm collection is also affordable, with each flavor selling at \$6. You can also buy the entire collection for only \$27. As a modern citizen - or a modern [REDACTED], you'll end up with chapped lips after a long day of adventures. In the Old West, [REDACTED]s would sip their favorite whiskey or rum to wet their lips.

Now, you can get the same flavor and scent and wet lips without having to indulge in the life-limiting impact of constant drinking!

[REDACTED] has been a game-changer in the industry and is a leader in selling body and face care products. With their new lip balm collection, they expect more customers to find out about [REDACTED] and what they can offer them to look after themselves as they go through their busy lives.

All products are made of natural ingredients such as beeswax, avocado oil, triglyceride, lanolin, and the natural flavors of the alcoholic beverage of your choice.

If you're looking for a great collection of natural lip balms that have the flavor of alcohol without having to down a few drinks, check out [REDACTED]'s new collection. You can shop online to check out their lip balms and other products for sale. You're guaranteed to find something that'll make you feel like an [REDACTED] roaming in the wild!
